Abstract

This descriptive study aimed to determine the awareness towards the implementation of Quality, Health, Safety and Environment (QHSE) Program among students of the college of business of JBLFMU-Molo, Inc. This was conducted during the first semester, academic year 2016-2017. The study revealed that when taken as a whole, the students were *highly aware* of the QHSE program. When grouped according to degree program, the BS Information Technology and BS Cruise Ship Management students were *highly aware* of the QHSE Program while the BS Tourism Management, BS Business Administration and BS Customs Administration students were *moderately aware* of the QHSE Program. When grouped according to sex, both male and female were *highly aware* of the QHSE Program. When grouped according to year level, the second year and third year were *highly aware* of the QHSE Program while the fourth year were *moderately aware* of the QHSE Program.
