Chua, Wendee, Conjunta, Raymund Joseph, Genoveza, Joanna Ruth, Tabular, Glaiza, Tugado, Pearly "Economic Recessions' Perceived Impact Among College of Business students of JBLFMU- Molo, Inc." A Research Study in Methods of Research, Business Department, John B. Lacson Foundation Maritime University- Molo, Inc. March, 2010.

Abstract

This survey study was conducted to determine the perceived impact of Economic Recession among College of Business students of JBLFMU- Molo, Inc. The participants of the study were 160 College of Business students of JBLFMU- Molo, Inc. S.Y. 2009-2010. The data needed for the study was obtained through the use of the validated researcher-made questionnaire-checklist. Descriptive statistics used were frequency counts, percentages and ranks. Results showed that Economic Recession had brought great impact on the life of the College of Business students of JBLFMU- Molo, Inc. making it the reason why their allowance was lessened, why they minimized visiting malls and why they do not spend much for cellular loads to save money.
