Abstract

The study entitled " THE EFFECTS OF ADDICTION IN VIDEO GAMES in John B. Lacson Foundation Maritime University - Molo" to know the effects and how to prevent the ADDICTION IN VIDEO GAMES.

Generally, the study intended to explore and determine the effects of VIDEO GAMES in People's Lives.

Specifically, the study sought to answer the following questions:

1. What is the status of the respondents are they addicted?
2. What are the experienced by the students of John B. Lacson Foundation Maritime University - Molo?
3. What are the effects of addiction of video games in students?
4. What are the Experience while you are under in addiction
5. How did you feel while you are addicted to video games

Acknowledgement

After an intensive period of several months, writing the note of thanks is the finishing touch on our research project. It has been a period of intense learning for us, not only in the research paper, but also on a personal level. I would like to reflect on the people who have supported and helped us so much throughout this period.

We would like to thank Dr. Elvira Delgado for guiding us every time, for sharing her valuable time and effort in checking the research project and for the admirable advice on technical matter and also for assessing us how to be a good researcher.

We would like to thank the students of John B. Lacson Foundation Maritime University - Molo, Who answered our questions.
